

China Life responds to the flood disaster proactively and processes claims timely

Since June, a number of provinces including Jiangxi and Fujian have been suffering from the flood which has caused dramatic casualties and economic losses. The branches of China Life in those areas have processed the claims right after the flood. As of 30th of June, China Life has received 74 claims for life insurance, of which 30 claims have been processed, with payments reaching RMB 2.502 million.
