

China Life proactively responds to the mainland tourists victimized in Taiwan

20 mainland tourists are missing in Taiwan due to the collapse of the Suhua Highway during Typhoon “Catfish.”. As of 29th October, 14 persons had been identified as China Life customers, who had bought 35 insurance policies with expected payment of RMB 3.785 million. China Life will send representatives to Taiwan to assist victims’ relatives in processing claims at the earliest time.
